(CT:VISA-882; 05-17-2007)

Date: \_\_\_\_\_

Dear Applicant:

This office is unable to conclude processing of your nonimmigrant visa (NIV) application at this time, as we require additional information. Under 221(g) of the United States Immigration and Nationality Act (INA), a consular officer may not issue a visa to any applicant whose eligibility has not been clearly established. In your case, either additional documentation or administrative processing, as indicated below, is required for a determination of your eligibility.

- ☐ Please provide the supplemental information specified below. Upon receipt of your additional information, we will consider it in our determination of whether you are eligible to receive a U.S. visa. Please provide detailed and complete answers.

(Place checklist for standard options, such as receipt of *Form I-20*, *Certificate of Eligibility for Nonimmigrant (F-1) Student Status - for Academic and Language Students*, list of Donkey or Mantis requirements, etc., here)

If you fail, within one year of this date, to provide the additional information we have requested, your application will expire and you will need to reapply if you wish to continue pursuing a U.S. visa.

- ☐ Your application requires administrative processing before we are able to determine whether you are eligible for a visa. (Describe whether the applicant should contact the visa unit after a specific time period, or if the visa unit will contact the applicant when the case is ready. In either case, give the applicant a method of follow-up with the visa unit after a specified time frame.)

Sincerely,

Consular Officer
